Subject: **Sole Distributor Introduction for the Territory of Afghanistan**

we would like to bring your attention to our International Group Maccaferri (www.maccaferri.com), as a worldwide leader in environmentally friendly engineered solutions used in infrastructure works for land and soil conservation, flood, emergency & coastal protection, rock fall mitigation, erosion & sediment control.

With over 125 years of tradition, for a long time known for our steel wire mesh "gabions", Maccaferri has over the years expanded into a worldwide Industrial Group with a direct presence today with several offices around the world.

Due to our technical engineering resources on staff, along with a network of specialized consultants and construction companies, Maccaferri has developed the unrivalled ability to competently assist design engineers, private and public enterprises, in each stage of the project development, from concept to execution and management, with a global vision.

In challenging and complex project scenarios, Maccaferri has sometimes even performed as a front-end technological partner, a role far beyond the supplier of multiple products.

Recently, The Officine Maccaferri Group has signed a Sole Distributorship Agreement with **Waheed Wahaj Group of Company on Behalf of Moheb Najib Trading Co. Ltd** a company duly incorporated under the laws of Afghanistan with registered office at Checknowri, Main Road of Kabul & Jalalabad, Jalalabad City, Afghanistan. The Agreement was signed in Maccaferri Industrial Group Headquarter on 01-August 2011 in Officine Maccaferri S.p.A. – Via Kennedy, 10 - 40069 Zola Predosa (BO), Italy.

Therefore, we the Officine Maccaferri Group announces/requests to all the Governmental Departments and Organizations, International Funding Agencies and Organizations and International and Local Companies they can/to purchase Maccaferri Products from our Authorized Sole Distributor in Afghanistan.
